93	Minute by the Right Honble the		States that the letter from the Sudr and Foujdaree Udalut, reporting on the Memorial of Mr. Blake the Sheristadar of the Subordinate Court of Bellary confirms the sentiments already expressed by him as to the uncalled for severity with which Mr. Blake had been treated by Mr. Story the former subordinate Judge of Bellary, & of his surprize, that the Sudr Judges had not, after the opinion they placed on record, seen that Mr. Blake was instantly restored to his situation, with all arrears of Salary – Desires to be informed of the name and character of the individual whom Mr. Story nominated to the vacancy, whether he was one of the previous servants of the Subordinate Court, and how he did his work. Thinks that Mr. Blake should be paid the salary he forfeited during the period he was out of office under the orders of Mr. Story, and that this latter functionary should bear the charge, which cannot fall on the State	27th Novr. 52	11th Jany No. 2	5th Feby 1853 No. 4
99	Minute by Do.		Cannot concur in the views of his Honorable Colleagues regarding the removal of Mr. Blake Sheristadar of the Subordinate Court at Bellary – Thinks that Mr. Story the Subordinate Judge behaved unjustly to Mr. Blake, and that neither the Session Judge, nor the Sudr Court, have shewn sufficient cause for the half and half redress which they granted – Observes that if all the Judges under this Government who are less qualified as to their knowledge of the languages were removed on the principle which the Subordinate Judge applied to Mr. Blake, it might be proper to apply that rule to him; and as for Mr. Blake having employed Convicts in his service, thinks that this is done by every Judicial functionary who has the power in India. For these reasons requests that his opinion may be specially submitted to the Honorable Court for their orders	15th Decr 52	No. 5	Do.
101			Minute thereon	10th Jany	No. 7	Do.
104	Memo by the Right Honble the		Is of opinion that the conduct of Trimul Acharee Principal Sudr Ameen of Chingleput demands the most rigid inquiry, and advises that all the Petitions containing allegations against him together with the letter from the late Acting Civil and Session Judge of that District regarding Trimul Acharee be sent to the Judges of the Sudr Court with an intimation that Govt. consider a strict investigation into the various allegations to be indispensable and accordingly request, they will institute one and report the result – Observes that should the Sudr Judges think it expedient to suspend the

1115	-----------	Minute thereon ----------	17th Jany	No. 8	
809	Minute by the R. H. the ...	Concurs with the Honorable Mr. Elliott that the Magistrate of Malabar should be allowed an opportunity of submitting any thing he may desire to add to the reply he made to the letter of the Special Commissioner of Malabar of the 7th August last regarding those instances in which the Commissioner took exception to his conduct in respect of the outbreaks which have occurred in that District, and Observes that the magistrate must be prohibited from entering upon any new matter not included in the Commissioners letter, and that his attention should be specially called to the advantages of brevity --------	14th Do.	28th Do. No. 27	19th July 1853 No. 26 P. 1
813	Minute by Do.	With reference to the Minute of the Honorable Mr. Thomas regarding Mr. Conolly the Magte. of Malabar - Thinks that both that officer and his Assistant are offered the fullest opportunity of explaining all the charges against them which have been submitted to Govt. and concurs with the Honble Mr. Elliott that the inferences of the Commissioner of Malabar regarding the conduct of these Officers are for Government to decide on ----------	22d Do. 2355	Minute by the Do.	Concurs in the views recorded by the Honorable Messrs. Thomas and Elliott on the Report of the Special Commissioner of Malabar regarding the conduct of the Tahsildar of Ernaad in reference to the Moplah outbreaks, and agrees with them in thinking that the avowed principal object in the nomination of this Moplah Tahsildar to so high and responsible a situation as the Head of the Ernaad District is not shown to have been attained - Concurs in the warning which the Honorable Mr. Thomas suggests for the future test of all Moplah servants in the Employ of Government, and observes that the Magistrate should be told that Govt. look to him to take care that see that class do their duty henceforth in so zealous and straight forward a manner as should admit of no cavil or doubt and that if they fail in this they are to be instantly set aside	16th Feby	22 March No. 4	Do.

2414 Minute by the R H the ---- Proposing that C. Ramanoojah Charloo, Head Interpretor at the Police Office be appointed Magistrate and Deputy Superintendent of Police Vice Maria Sooday Moodelliar deceased 13th March 22 March 19th Octr 1853 No. 8 No. 32 P7

2415 ---- Minute thereon ---- 18th Do. No. 9

2479 Minute by Do. ---- Concurs with the Judges of the Sudr Udalut that the Session Judge of Coimbatore has a right to work Convicts in the Town there, according to the terms of their sentences altho' so far as Municipal objects are concerned the charge of the town appertains to the Magistrate; likewise considers that it is inexpedient to lay down any certain rule as to the proportion of the Convicts which should be placed at the Magistrate's disposal; and further agrees with the Judges that where the Sessions Judge and the Magistrate do not cordially co-operate in carrying on their respective duties it is hopeless to expect that either the public interests will be well considered, or that clashing of authority can be avoided. Expresses regret at the nature of the discussions which have taken place between these two officers, and despairs of the Public service going on as it should do, so long as the two Gentlemen whose altercations and illegal measures in support of their own notions have led to these discussions, shall be in the same District; proposes therefore that Messrs. Roupell and Thomas be transferred to other and separate stations. Is unable to account for the Magistrate's not dismissing the Jaynadar who was charged with having starved the Prisoners under his charge especially after the opinion of the Zillah Surgeon that that was the cause of their emaciated appearance. Suggests that if it is not practicable, this step should be still adopted ---- 14th Feby No. 30 24th April 1854 No. 15 P31

2497 Minute by Do. ---- States that he has nothing further to add to his former Minute on the disputes as to authority between the Session Judge and Collector and Magistrate of Coimbatore ---- 24th Do. No. 33 Do.

Appointing

(President (Cont.)

2605 Minute by the R.H. the E. .... Appointing J. A. Wedderburn Esq. to act as Head Assistant to the Register to the Court of Sudr and Foujdaree Udalut during the absence of Mr. Ellis on Sick Certificate or until further orders .... 22 March 1853 No. 11

2607 Minute by D. E. .... States that he has no objection to the nomination of Mr. Wedderburn to act as Head Assistant to the Court of Sudr and Foujdaree Udalut being considered as a period of probation and his confirmation, should the appointment become a permanent vacancy, being dependent on his ability and fitness for the satisfactory discharge of the duties. Suggests that Mr. Wedderburn and the Judges be informed accordingly .... 23 D. No. 14

2609 .... Minute thereon .... 29th D. No. 15

2648 Minute by D. E. .... Recording his views on the union of the offices of 1st Judge of the Small Cause Court with those of Chief Magistrate and Superintendent of Police in the person of Mr. E. F. Elliot .... 23 Feby 5th D. No. 7

2666 .... Minute thereon .... No. 12

2766 Minute by D. E. .... Proposing the appointment of Himayet Ally Khan Sahib, Moofty Sudr Ameen, to act as Principal Sudr Ameen of the Zillah of Honore until further orders .... 15th D. No. 43

Ditto .... Minute thereon .... No. 44

2950 Minute by D. E. .... Is of opinion that the Draft Act submitted by the Advocate General for the conservancy and improvement of the Town of Madras, is prepared in simple language, and quite intelligible to every capacity, and that the Memorandum by the Judicial Secretary on the Draft should be placed on record and transmitted with the Act to the Supreme Government. Approves of Mr. Norton's suggestion that the whole of the Commissioners under this act should be appointed by Government and that the remuneration to them should be increased. Suggests that Rupees 400 be given to the Chief Commissioner and Rupees 300 to each of his two Colleagues and that when any of them shall be absent for above a month, in any year, a Locum Tenens shall be nominated on the full salary of the Absentee. Thinks that the power of licensing all Houses of Public Entertainment, Eating Houses &c. should be vested in the Justices of the Peace and

not

not in those of Session, Is of opinion that the Provisions of the Draft Act do not apply to obtaining land that may be required for Public purposes such as Railways & Roads &ca, and unless a separate Enactment is deemed expedient, thinks it might be advantageously introduced into this Draft. Recommends that special Commissioners be named for holding charge of and administering to all such Public lands irrespective of those to be appointed by this act for purely local purposes ---- 1853 21st Jany 19th April No. 4 ---- No. 7

2968 ---- Minute thereon ----

2990 Minute by the Right Honble the ---- Proposing the appointment of Mr. G. H. Swinton to act as Civil and Session Judge of Trichinopoly ---- No. 18

2991 ---- A Letter addressed to G. H. Swinton Esqre. ---- No. 19

3607 Minute by Do. ---- Under the Remarks quoted from the Report of the Sudr Udalut on the conduct of Teeroomalacharry, Principal Sudr Ameen of Chinglepet, observes that it is impossible that, that individual can be longer tolerated in the very high Judicial position which he has so unworthily filled, proposes therefore that he be at once and finally removed from the service of Govt. Does not attach the same heavy condemnation which the Sudr Judges do to the tenor of the Proclamation of Mr. Reade the Officiating Judge in inviting those who petitioned against Teroomalacharry, to appear before him - Thinks that the only parts of it open to censure are those in which he proposes to take down the statements of complainants in his own private rooms ---- 26th May 6th July No. 6 1st Jany 1854 No. 82

3619 Minute by Do. ---- Does not think it becoming or creditable to the judicial Character of this Presidency that Teroomalacharry should continue to hold the high and important situation of Principal Sudr Ameen of Chinglepet after the disgraceful conduct of which he has been pronounced guilty by the Sd. Udalut. Adheres to his former opinion that he should be removed from the service of Government leaving it to the Honorable Court to reinstate him should they think fit ---- 2nd June No. 8

3621 ---- Minute thereon ---- 27th Do. No. 9 Do.

President (Contd.)

3639 Minute by the R.H. the ... For reasons stated considers the Letter from the Sessions Judge of Coimbatore submitting observations on such parts of his conduct considered reprehensible by the Sudr Udalut, and commented on by Govt. connected with the charge of the Town of Coimbatore, and the working the Convicts at that station, to be unauthorized, and proposes that it be returned to him to be sent through the regular channel, when the whole of the Papers should be forthwith transmitted to the Honorable Court with all the Minutes that have been recorded by the Members of Govt. .... 10th June — D. J. 5th July — 24 — 1853

3641 .... Minute thereon .... 28th Do. — No. 11 — No. 12 — 18..

3888 Minute by the R.H. the ... Concurs with the Honorable Messrs. Eliott and Thomas that there is not the most remote ground, or pretence for any one of the serious allegations which have been brought by the Special Commissioner of Malabar against Mr. Conolly the Magistrate of that District and his Assistant Mr. Collett, respecting their conduct in connection with Moplah outbreaks &ca. — States that the more detailed explanation into which Mr. Conolly has gone in replying to the Special Commissioner's allegations, has removed a great deal of his first impression as to Mr. Conolly's supineness, and thinks that in the difficult position in which he was placed, his proceedings were dictated by due promptitude and prudence. — Observes that he can only account for Mr. Strange's unjust and unsupported conclusions as regards the conduct of Messrs. Conolly and Collett, to a predetermination to see only one side of the question, and that he cannot divest himself of the idea that the Special Commissioner has wholly failed to exercise that rigid impartiality which could alone make his opinions of value to Govt. .... 18th June — No. 30 — D. 5168 Minute by the R.H. the - - - - Differs from the Judges of the Foujd. Udalut in the unqualified condemnation which they have pronounced of the entire system of Village (and District) Police which at present prevails in this Presidency, and does not concur in the views which they offer for its reformation and amendment - for reasons stated is of opinion that no Rural Police can be efficient that is not formed from men belonging to the Villages in which they are to serve. Concurs with the Judges, that the Village Police in whatever form it may be constituted should be regularly and sufficiently remunerated, & thinks that this has been provided for in the Districts in which it has yet been settled - and with reference to the question whether the Village Police should be remunerated by a money payment or by Grants of cultivable and productive land, thinks that the preference should be given to the latter mode of remuneration, as it gives the grantee an interest in, and hold on, the Village, and moreover accords with the old Native Village Police system which he believes to have been much better than any other that has been substituted for it. Is of opinion that this mode should be introduced wherever it is practicable, & suggests that the Bd. of Revr. be requested to expedite the information that has been already called for regarding the Districts in which the Village Police is still awaiting revision, to enable Govt. to come to a final decision and to submit their opinion to the Govt. of India for sanction to the charges that will have to be incurred. Thinks the Commissioner for the Northern Circars should be reminded of the Report called for in 1849 regarding the Village Police in Guntoor, and that he should be instructed to state the arrangements which he would recommend for the Village Police of the other Collectorates under his authority - - - - - - - - - - - - - - 28th July 11th Octr. to Arabia under penalty of being dealt with in conformity with Regn. 11 of 1819. Is of opinion that Syed Hoossain Coyah is the medium of communication between the Tangul and his disciples in Malabar, and that he is come to prepare the way for the re-appearance of the Tangul — Thinks that the course suggested may be personally a hardship, but that Govt. are bound to take every possible precaution after the enormities which have occurred — — — 3 Novr. | 8th Novr. 6130 Minute by Do. — — — With reference to the objections raised by the Honorable Mr. Thomas against the appointment of Mr. Gerrard Head Accountant Oriental Bank to be one of the Auditors of the Accounts of the Administrator General of Madras, observes that Mr. Gerrard has no reason to anticipate being removed to any other Branch of the Bank by the Directors, who have the highest opinion of his ability and trustworthiness; and is of opinion that from the terms of the Act the duties of the Auditors are confined to the Books and Accounts of the Administrator General, and that

13 that the Auditors have nothing to do with his acts or Proceedings of which it is the province of Govt. to judge; desires accordingly that Mr. Garrard may be appointed as proposed in his former Minute ---------------- 2d Novr. 13th Decr No. 19 1853
